WWW.DIRTRAGMAG.COM ISSUE 110 \$3.95 \$4.95 IN CANADA

For the body, we have **ELETE**, an electrolyte replacement without all of the sugar and flavoring that can keep you down with the other drinks out there. If you're a believer in the performance enhancing effects of electrolyte replacement, but not of corn syrup, check them out at www.eletewater.com where you can pick up servings for about \$1 each.
